TMR **c120+**

Convenient parcel sending included as standard.

Easy to Use

- Easy-to-use, Android-based 7" colour touchscreen for simple operation.
- Print up to 120 letters per minute thanks to the automatic feeder.
- Intuitive menus make for easy selection and completion of jobs quick and accurate.
- Support options such as notifications, diagnostics and support articles and how-to videos to support users.
- Apply postage to larger flats and letters easily with the included strip tape dispenser.
- Smoothly feed your mail with our reverse separation technology.

Simplify the way your office sends domestic and international parcels with Royal Mail® and Parcelforce® Worldwide. By integrating with the shipping label printer and the digital scale, the TMR c120+ solution makes it easy to weigh, compare service options, print shipping labels, track parcels and manage expenses online - for both carriers - in one easy-to-read screen. What's more, you'll save up to 75% on Parcelforce retail rates and take advantage of Royal Mail Delivery Confirmation service and preferential Mailmark® pricing, with savings of up to 18.2% versus stamps.

Royal Mail

Authorised
independent inspector and
maintainer of franking machines
